

Category: Sure-Pull

Another new gasket product manufactured by Thermody

Thermody™

Sure-Pull *Extraction Hook Puller*

"Sure-Pull" Extraction Hook Puller showing a flexible extraction hook in place.

"Sure-Pull" help remove hardened packing from stuffing boxes and valve bodies while protecting worker safety.

Thermody™

Sure-Pull *Extraction Hook Puller*

"Sure-Pull" enables more precise control and added leverage when removing packing from stuffing boxes and valve bodies. This tool will also lower injuries to thumbs, knuckles and fingers while working in close proximity to equipment.

"Sure-Pull" locks onto your standard flex cable or rigid cork screw packing puller and gives the worker extra leverage for those hard to pull jobs.

Thermody™

Sure-Pull *Extraction Hook Puller*

Product No. Description WC-700

Tool includes one Sure-Pull Extraction Hook Puller
